Dear Judiciary Committee:

I am submitting this written testimony to express my opposition to Senate Bill 16 and House Bill 5416 as these bills, if became law, would violate the Constitutional rights of Connecticut citizens. Our second amendment right does not stop outside our homes, making illegal searches legal is a violation of our fourth ammendment right. An oath was taken to protect these rights of the people by law makers as well as the Governor and any acceptance of these proposals would be a violation of that oath. Futhermore, criminals do not follow laws, so these proposals, if becoming law, will only hurt law abiding CT citizens as we would be unsafe this State. Thank you.
